## Health & Safety Induction Form

### Acknowledgment of your Health and Safety Obligations

Please complete the acknowledgement on the following page.

I, \_\_\_\_\_ hereby acknowledge that:

*Workplace Participant Name*

1. I have read or had explained the rules and requirements during the induction and agree to work according to all criteria contained in it.
2. I understand my obligations to myself, and my fellow work unplace participants under the Health and Safety at Work Act 2015, and confirm my intention to comply at all times while working at MMO.
3. I recognise that MMO (while carrying the "primary duty of care") – can be responsible for only advising the nature of, and methods of controlling, hazards specific to the business or work site and that as a workplace participant I shall apply best industry practice to ensure the safety of all involved at all times.
4. I have been advised of the emergency procedures, location of emergency equipment, location and use of safety equipment, basic safety rules, hazards and hazard controls, go and no-go areas and access and authorisation requirements relevant to the service being performed.
5. I will adhere to the health and safety management policy in place, which ensures compliance with the Health and Safety at Work Act 2015.
6. MMO has the right to monitor my activities and carry out a safety audit from time to time during the progress of my employment and participation within the workplace.
7. MMO has the right to suspend work where the they are not satisfied that all practicable steps are being taken to ensure that health and safety of myself and others during my employment.
8. I will advise the MMO immediately of any accidents, or incidents inclusive of any "Notifiable Injuries, Illnesses, Events or Incidents", and meet the requirements of the Health and Safety at Work Act 2015 in reporting serious harm accidents to the regulator (Worksafe NZ)
9. I will engage in regular communication with MMO regarding risk levels and hazards identified during my engagement and will take all practical steps to avoid harm being caused to any person by monitoring how work is conducted on-site.

I have informed MST management of any information that may be important in the management of my health and safety while working on the premises, including any serious medical conditions or allergies.
